Longevity payments will not be prorated for 10.5-month employees.

Article IX. PROMOTIONS

An annual evaluation of all employees will take place each year on or before June 30.

Article XI. SICK AND/OR PERSONAL LEAVE

Twelve-month employees will have 14 days per year for sick and/or personal days, and 10.5-month employees will have 12 days per year for sick and/or personal days. The unused portion of this allocation is accumulated and will be applied to the accumulated sick time. Appointments made subsequent to July 1 and, effective November 8, 2018, resignations/retirements prior to June 30, will be credited with a prorata proportion thereof (1.16 days per month). Payment of accrued sick leave will be made on the basis of four to one days to the named beneficiary of those in the employ of the District at time of death. Effective November 8, 2018, the District may require a physician's note indicating an employee's fitness to return to duty after an absence of three or more consecutive days due to personal illness or, if an employee is absent for three or more consecutive days due to a family member's illness, a physician's note stating the date(s) on which the family member was seen by the physician.

APPENDIX A

GRIEVANCE PROCEDURE

In order to maintain a harmonious and cooperative relationship between the DISTRICT and the UNION, the following procedure will be utilized by the UNION for the settlement of certain differences or misunderstandings.

The UNION may present grievances free from coercion, interference, restraint, discrimination or reprisal.

"Grievance" will mean any claimed violation of a cited provision of the contract.

"Supervisor" will mean any person, regardless of title, who is assigned to exercise any level of supervisory responsibility over employees.

Every employee will have the right to present his/her grievances as well as the right to be represented at all stages. It will be a fundamental responsibility of supervisors at all levels to give prompt consideration to, and to take appropriate action upon, grievances presented to them by employees under their supervision.

The clerical personnel of this District will form a three member committee to be known as "Clerical Grievance Committee." The method of selection and the term of office will be at the discretion of the clerical staff. The purpose of this committee is to assist and advise any clerical person who may have a grievance, and to advise the clerical person if the grievance merits further procedures. If a member of this committee has a grievance herself, a replacement pro tem would have to be decided upon by the clerical personnel.

The procedural status will be as follows:

First Procedural Stage

The presentation of the grievance of the "Clerical Grievance Committee." If the grievance is not resolved the aggrieved employee and the grievance committee will present the grievance problem to the immediate supervisor; i.e., building principal.

Second Procedure

If the grievance is not resolved at the first stage, the aggrieved employee and the immediate supervisor will each submit to the Superintendent of Schools a written statement setting forth the specific nature of the grievance and the facts relating thereto. The Superintendent of Schools will hold an informal hearing at which the employee or the employees grievance committee, or both, may appear and present the oral and written statements. The determination of the second stage of such grievance proceedings will be made by the Superintendent of Schools. If the grievance is not satisfactorily resolved at the second stage, the grievance may proceed to the third stage.

Third Procedural Stage

The third procedural stage will be an appeal to a "Public Employee Grievance Committee" consisting of three impartial citizens of the District

1/14/19

appointed by the President of the Board to serve as a committee at his pleasure. Hearings will be conducted by a member of the Board appointed by the President of the Board. The appeal to the Public Employee Grievance Committee" will be a written request by the aggrieved employee, or representatives for a hearing at which time the Superintendent of Schools, Building Principal and/or the immediate supervisor will also be present. The "Public Employee Grievance Committee" will render a report of its findings and recommendations to the Board, and the Board will make the final decision and make its report. The report of the Board will contain a statement of the Board's findings of fact, conclusions and advisory recommendations. The Board will send a copy of its report to each employee involved, to his representative, if any, to the Superintendent of Schools, to the Building Principal and to the "Public Employee Grievance Committee."

Supervisory personnel are to have full authority and responsibility to settle grievances or misunderstandings which exist that are inconsistent with policies and regulations of the Board now in full force and effect.

In order to insure prompt consideration and determination of employee grievances, one week (seven days) will be the maximum time allowable for each procedural stage established in this resolution.
